Transport Platform

Expanding Lift Capabilities for Greater Heights

Every venue has unique needs and requirements. Give our team a call to discuss your specific event and venue – we'll help determine if this high-reaching solution is the right fit for your needs.

Beyond accessibility, the Transport Platform adds value for event crews by handling heavy lifts for catering, production gear, décor, vendor supplies, and paramedics.

- Max Height: Up to 65'
- Lift Speed: 40' / 80' per minute
- FPM AC Power: 220v-1ph-50a 208v-3ph-50a
- Standard Size Cage Capacity: 1,600 lbs.
- Basket: 78" x 55"
- Base Dimensions: 7' x 7'

Custom Windscreen Covers

Turn Accessibility into a Branding Opportunity

Perfect for promoting your brand, sponsors, or event message while enhancing the look of the lift installation itself.

Custom windscreen covers for our lifts can be fully personalized to suit your event.

Whether you're organizing a festival, concert, tradeshow, or special event, you can now add a custom touch to our lift installations.

Our printed windscreen covers can feature:

- ✓ Logos
- ✓ Custom graphics
- ✓ Sponsor messaging
- ✓ Advertising panels

Built for events, designed for impact!

- ✓ Durable, weather-resistant material
- ✓ Designed for outdoor and indoor use
- ✓ Easy Installation
- ✓ Our team handles setup, no extra coordination needed on your end
- ✓ Flexible design options

Make every lift installation work harder for your event. With custom windscreen covers, you gain branding power, sponsor value, and a polished, professional presentation—all in one simple upgrade.
