

Wheelchair Lift Rentals for Pedestrian Bridges

Safe, ADA-Compliant Access Across Elevated Walkways

SPORTING EVENTS • CONCERTS • FESTIVALS

Why Choose ADA Lift Rentals for Pedestrian Bridges

- Ensure your pedestrian bridges meet ADA standards
- Provide equitable access for all guests, including wheelchair users and those with limited mobility
- Maintain smooth crowd flow without bottlenecks

Full-Service Support

- Delivery, installation, on-site operation, and teardown included
- Experienced team with 10+ years supporting major events
- Available across the U.S. and Canada

Flexible Lift Options

- 6', 12', and 14' ADA-compliant lifts
- Transport Platform for heights up to 65'
- Compact EZ Stage Lift for shorter connections

Proven Experience

- NFL games and training camps
- PGA tournaments
- NASCAR races
- Major festivals, concerts, graduations, and government events

Event Applications

- Temporary pedestrian bridges over roadways, racetracks, or secured areas
- VIP access routes
- Safe connections between multi-level event zones
